

## **Welcome to our club newsletter: June 2011**

Welcome to you all, parents, players and club officials. These newsletters will be a regular monthly publication and bring you news about the club, its teams and any news which may be of interest to you about the club and its future development.

### **2010 – 2011 Season Summary**

Across the age groups, there were mixed successes, with some teams gaining promotion success in several local junior football leagues.

Our Under 11's finished an exciting season, as runners up in Division 3 of the Stockport Metro League. Of their 18 games, they won 12, drew 2 and lost only four, scoring 77 goals in total.

Under 12's finished very well after a slow start & ended 4<sup>th</sup> place in their division. A final run of some very good results was not enough to win them automatic promotion, but all the same, a positive end to the season and a good foundation for next year.

Under 14's compensated for a disappointing season in the Metro 1<sup>st</sup> division, by reaching the quarter finals of the Manchester County Youth Cup. A fantastic achievement, as they had to play, and beat, some very good teams on the way. In the end, they were knocked out by Fletcher Moss, who themselves ended as the eventual finalists.

Under 15's have two teams in their age group playing for the club, with the A team playing in the first division and the B team in the fourth. The B team gained promotion to the Metro third division. Some tremendous results were realised and their supporters were treated to numerous goals during the season.

Under 16's achieved a very respectable fourth place in the second division, winning 10 and drawing 3 games out of a total of 19. Some of the team have been together since the Under 8's age group and have loyally served the club over the years. These lads deserve our thanks and are Tim Malkin, Leighton Tickle, Jake Walker and Joe Mennell. Well done lads.

### **Hollingworth Under 8's 2010-2011**

**Our younger age groups have also done well this year. The Under 9's have consolidated their team and have done well in their particular league. Under 8's ended as losing finalists in the Hyde cup after a first year which has seen large numbers attending the weekly training. Well done lads and hoping for more success in the future.**
